The Philippine Journal of Allied Health Sciences (PJAHS) and our publisher, the College of Rehabilitation Sciences of the University of Santo Tomas, extends our deepest gratitude to our editorial board and academic editors who have graciously contributed to the journal's peer-review process for the years 2018-2019. We recognize your selfless contribution in support of our aim to further research in the field of allied health science through the democratization of knowledge evidence by way of Open Access journals such as PJAHS. We are back and here to stay because of your unwavering support and dedication.

The names of the individual editorial board members, staff and academic editors who performed excellent peer-review on the submitted manuscripts, some of which appear in this edition, appear in the supplementary File S1_PJAHS_List. Your participation in the review process is duly recognized and appreciated. Thank you for embarking with us in this journey of informing and influencing allied health science clinical and research practice. We hope that our partnership continues to flourish and prosper in the coming editions of PJAHS. *Maraming Salamat po!*
